Courier Deliveries

All UK parcel deliveries are made by Royal Mail / Parcel Force. Deliveries are generally made between 8:30 am - 6:00 pm Monday to Friday. It is essential that your order is consigned to a 'manned' address, where our courier can obtain a signature on delivery. The courier cannot deliver to a neighbour or an alternative delivery address. If the courier is unable to make the delivery to the specified address and has to return to the same address at a later date, or the parcel has to be returned to us, a surcharge will be applied.
